

2024 TIRE RULES

LATE MODEL

1. LMSC teams will compete on the Hoosier F45 compound only.
2. LMSC teams may purchase four (4) new tires for the first race and two (2) new tires for each subsequent race.
 - a. **Note: For a regular two tire event, the new tires MUST be run on Left Side.**
3. After the first race, visiting competitors to OCS can purchase two (2) new tire and two (2) scuff tires.
4. Tires will be marked by the speedway and each team will impound tires at the end of each race night for use at their next event.
 - a. **Note: As an option, OCS can sell your impounded scuff tires to incoming new teams in exchange for a credit applied to your next tire shop bill.**
5. Special or extended distance races may require purchasing four (4) new tires.
6. Any attempt to circumvent the tire rules will result in a disqualification and a loss of points/money.

CHARGER

1. Charger teams will compete on the Hoosier F45 compound only.
2. Charger teams may purchase four (4) new tires for the first race and one (1) new tire for each subsequent race.
 - a. **Note: For a regular one tire event, the new tire MUST be run on Left Side.**
3. After the first race, visiting competitors to OCS can purchase one (1) new tire and three (3) scuff tires.
4. Only scuff tires purchased and marked by OCS may be used.
5. After the first race, the top five (5) in points will impound three (3) tires.
6. When you win a race, you will be placed on the tire impound list.
7. Any attempt to circumvent the tire rules will result in a disqualification and a loss of points/money.

MOD 4

1. Mod 4 teams will compete on the Hoosier F45 or F35 compound only.
2. Mod 4 teams may purchase four (4) new tires the first race.
3. These tires will be marked by the speedway.
4. A maximum of two (2) new tires may be purchased each race after the first race.
5. Only tires purchased and marked by the speedway allowed.
6. You may not purchase the two (2) new tires and allow anyone else to use them. Only you may run the tires that you purchase.
7. Any attempt to circumvent the tire rules will result in a disqualification and a loss of points/money.

PURE STOCK

1. Pure Stock teams will compete on the Hoosier 790, 800, or Sportsman compound only. All four tires must be the same compound.
2. Pure Stock teams may purchase four (4) new tires the first race.
3. These tires will be marked by the speedway.
4. A maximum of two (2) new tires may be purchased each race after the first race.
5. Only tires purchased and marked by the speedway allowed.
6. You may not purchase the two (2) new tires and allow anyone else to use them. Only you may run the tires that you purchase.
Any attempt to circumvent the tire rules will result in a disqualification and a loss of points/money.
